Property description

Set amid the picturesque hills between the seaside towns Polignano a Mare and Monopoli, just beyond the borders of the Itria Valley, Masseria Vigne Bianche is a luxurious historic estate designed for unforgettable vacations in Puglia, focused on relaxation and sensory rejuvenation. Expertly restored with attention to detail and respect for traditional architectural elements, this property blends seamlessly into its rural surroundings, making it one of our most exclusive rentals. With 6 bedrooms, including 2 spacious family suites, all featuring private en-suite bathrooms with showers, the enchanting property comfortably accommodates up to 16 guests.

The interiors of the villa are crafted with meticulous attention to detail, featuring high-end finishes, elegant furnishings, and expansive, comfortable spaces. Masseria Vigne Bianche spans three levels: on the ground floor, which is on the same level as the garden and pool area, you'll find a bright, spacious living area with a dining room and an open kitchen with a central island. This floor is completed by a large hallway and a guest bathroom.

The upper ground floor, includes 4 spacious double bedrooms with en-suite bathrooms. Each room has its own glass door opening to the outdoor area, with gentle transitions to the garden and pool area. This floor also features a hall, an additional guest bathroom, and internal stairs connecting the ground floor and first floor.

A beautiful stone staircase leads to the first floor, where you'll discover a second suite with a private bathroom, a magnificent stone bathtub, panoramic windows, and dedicated access to a private terrace that overlooks the entire estate. On this level, there is also an intimate double bedroom with an en-suite bathroom, surrounded by stone walls that frame a window with captivating views of the surrounding countryside.

The outdoor spaces offer an idyllic setting for a truly relaxing and private stay. An expansive garden of over 6,000 square meters, filled with lush lawns and a variety of plants and trees, surrounds the property.
