

Design trulli complex with pool

Property description

Experience the charm of Trulli Resolana, a beautifully restored trulli complex with a modern design extension, featuring a stunning infinity pool with a jacuzzi. Set in the breathtaking Puglia countryside, just 15 minutes from the sea, it offers a serene escape with complete privacy and relaxation.

The living spaces are thoughtfully distributed among the main trulli, a small stone tower, and a modern extension. The trulli include a spacious entrance, a double bedroom with en-suite bathroom, a cozy *alcove* with two single beds ideal for children, and a large bathroom. A glass-lined corridor connects the trulli to the modern extension, which houses a bright living room, a fully-equipped kitchen, and a guest bathroom.

The stone tower, independent and separate from the main complex, spans two levels and includes an entrance area and a double bedroom with an en-suite bathroom.

The villa's exterior is designed for relaxation and enjoyment, featuring a magnificent infinity pool with a jacuzzi and fully-equipped solarium, a veranda with a barbecue, 2 additional outdoor areas, perfect for unwinding in a hammock under the shade of laurel and olive trees. The home also features a charming patio with an olive tree and a pomegranate tree, adding a touch of natural elegance. An old bathtub in the patio, and a further outdoor shower on the solarium will allow guests to cool off in the hottest hours!

The radiant Puglian light enhances the whitewashed walls, red earth, azure sky, and the twisted trunks of ancient olive trees, creating a setting of natural beauty. The house is surrounded by several Mediterranean plants, cherry trees and centuries-old olive trees. If you fancy a luxury, total relax holiday, Trulli Resolana, where history meets modern design, is the perfect place for you!
